

Consistent colour. Stand out results. Superior media flexibility

So when it comes to choosing an A3 colour printer, it makes sense to invest in a machine that will consistently and dependably deliver high quality output. For a surprisingly modest investment, you get superior media flexibility, impressive performance, and exceptional ease of use and the proven reliability of digital LED printing technology.

In other words, the C910n really is a printer you can rely on.

Consistent colour

The C910n produces stunning quality with remarkable consistency.

- ProQ2400 multi-level 1200 x 600dpi print resolution
- Microfine High Definition 15,000- page toner and high precision image drums
- In-built Graphic Pro colour management firmware for colour matching and managing ICC profiles
- Compatible with EFI Colorproof XF colour management RIP and EFI Fiery XF production RIP software

Superior media flexibility

With the C910n you can print on a huge range of media, including specialist structured paper.

- Paper sizes from A6 to oversized A3 and SRA3, plus 328 x 1200mm banners
- Print on stock from 64 to 300gsm
- Automatic two-sided printing on media up to 188gsm (Optional)
- Optional paper trays increasing capacity up to 2,880 sheets

Impressive performance

When the pressure is on the C910n really earns its keep.

- Get more done, faster; with A3 print speeds of 16ppm in colour and 20ppm mono (up to 31ppm in colour and 36ppm mono for A4)
- Generous 512MB RAM as standard
- Standard 40GB Hard Disk Drive for storing job data
- 800MHz processor

Total ease-of-use

The C910n's controls are intuitive and easily mastered.

- Auto Media Detect for automatically detecting and selecting appropriate paper weight

- Auto Print Density and Colour Registration Control to ensure accurate colour reproduction
- Easy to use bypass tray for trouble-free insertion of special media
- Optional finisher for automatic hole-punching, folding, saddle stitching and booklet making

Dependability

The C910n lets you get more done with fewer interruptions.

- Simple, flat paper path for trouble-free operation
- The product of more than 30 years experience of manufacturing robust printing solutions
- Digital LED technology for ultra-reliable printing
- Free, three-year parts and labour warranty extension available

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

WARNING! This product complies with EN55022 Class B. However, when fitted with the optional scanner and/or finisher, compliance to EN55022 is Class A. In a domestic environment this configuration may cause radio interference, in which case the user may be required to take adequate measures.
