Workgroup performance within a compact footprint

The ES4140 combines dependable high quality monochrome printing with a feature packed specification in a compact stylish printer.

The ES4140 offers users hassle free high speed monochrome output time after time, stylish design automatic double sided printing and powerful in box utilities complete the package.

With print speeds of 28 pages per minute (ppm) you can be confident that the ES4140 will power through the demanding workloads of the office user, delivering crisp clear text at 1200dpi and smooth graphics time after time.

The standard paper capacity is a generous 580 sheets, fed from two sources with the possibility of expanding this to 1,110 sheets. High capacity toner minimises user interventions and a high monthly duty cycle ensure that the ES4140 instantly becomes one of the team.

Everything you need

- No compromise on print quality – true 1200 x 1200 dpi resolution for clear, sharp detail
- Optional paper tray extends input capacity up to 1,110 sheets, including a 50-sheet multi-purpose feeder
- Automatic two-sided printing is standard, saving paper and reducing costs

Dependable performance

- Takes less than 5.5 seconds to print the first page
- Impressive 28ppm, print speeds you can be confident of
- 64MB (max 320MB) memory capacity to manage with the workgroups demands

Easy to live with

- Front-facing LCD display gives clear, at-a-glance status information
- The toner cartridge can be replaced in moments (it's the same with the paper)

A range of utilities make things simple

The ES4140 is complimented with useful utilities to help you get even more value from this reliable desktop printer:

- Print Control - for tracking usage and controlling access for tighter cost control.
- PrintSuperVision - browser-based monitoring and management of all your network printers, regardless of make or model.
- Template Manager 3.0 - editable, easy to use templates for creating a wide range of office documents.
