# ES5112dn Specifications

OKI

High performance, A4 mono printing, for the workgroup

A super fast print speed, high monthly duty cycle and large standard paper capacity equips the ES5112dn to handle high volume printing with ease.

This clever printer incorporates automatic double sided printing to help save paper and will optimise its speed and power usage to the type of documents being printed, even powering off over night.

The 12,000 page toner cartridge keeps running costs low and the ultra-reliable digital LED technology guarantees many years of excellent service. Add Gigabit networking as standard and the ES5112dn delivers fast speed, high quality black and white printing for all in the office to share - Perfect for the workgroup.

Designed for high print volumes

Fast warm-up times, high speed processor and large memory enables the ES5112dn to power through high and low volume print jobs with ease. With Gigabit Ethernet as standard and an optional Wireless interface, sharing is made easy.

- Time to first print 4.5 seconds
- A4 print speeds of up to 45ppm
