MC363dn Specifications

Exceptional multifunction A4 colour printer offering outstanding value for money for SMBs

The MC363dn multifunction printer (MFP) sets new standards for small business printers offering unparalleled value and putting outstanding functionality within reach of every organisation.

Ultra-fast and designed to handle graphics-rich documents with ease, this compact device can help any business build its brand on a budget, printing colour materials to a professional quality to save on outsourcing. Offering duplex printing, scanning, copying and faxing.

Key features to support your business needs

- An outstanding value A4 colour MFP
- Duplex printing, scanning, copying and faxing
- Offering great print speeds of up to 30ppm
- Generous paper capacity up to 880 sheets, with optional second tray
- 1GB RAM memory, ensuring trouble-free printing of graphics-intensive documents
- Citrix XenApp 7.6 compatibility ideal for virtual network environment

Functionality to improve your productivity

- Overlay function enables you to save logos or forms in the MFP's memory, for re-use in other documents
- Fast scan speed of up to 30ppm colour/ mono
- LDAP direct access to contact and email data from an existing server directory
- USB and network TWAIN scanning (PC and Mac)
- ID card copying for simple copying of double sided ID cards on a single sheet
- Document collation automatically sorts copies of multi-page documents

Advanced connectivity

- Wireless Direct offers safe simultaneous connection of wired and wireless networking
- Gigabit Ethernet enables fast transfer of large colour files across the network
- Google Cloud Print 2.0 ready, as well as being compatible with AirPrint by Apple Inc for printing from smartphones and tablets
- Optional Wireless LAN Module available

- Easy to set-up and get started
- Video guidance for installation and changing consumables
- When new features are available you can update the device via the OKI portal
- Quiet mode ideal for smaller offices

Energy and cost saving functionality

- Print marketing materials in-house, thanks to outstanding print quality and media flexibility
- Deep Sleep mode saves energy,
 Auto-Off mode automatically powers
 down to less than 0.5W when not in use
- Toner Save to reduce cost, when printing draft or internal documents
- Duplex printing reduces paper usage
- Free consumables recycling programme
- Robust and long-lasting LED technology

¹Check local OKI website for latest driver releases and OS compatibility; ²Windows only; ³Mac only; ⁴Including all consumables

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

3 Year Warranty

Our devices are manufactured to the highest standards of quality and technology, which has been confirmed by independent tests. We are so convinced of the high quality of our products that we are offering you an extension of the standard warranty period to 3 years at no extra cost. Simply register your product within 30 days of purchase to be eligible for our unique all inclusive offer. For further information please visit www.okiwarranty.com/3year

Without registration, the standard pan-European 1 year warranty applies.
