## **C711 Specifications**

# Superior performance with a low cost of ownership for enterprise workgroups

When productivity in the workplace really matters, if your team is taking on tight deadlines and demanding workloads, you need a network colour printer you can really depend on. The ultra-reliable digital LED technology, rapid throughput and a robust yet compact design deliver enterprise-class performance that just won't let you down.

And that's not all. With its superb print quality, exceptional media flexibility, superior energy efficiency and a genuinely low total cost of ownership, the C711 is a solid investment in the future of your business.

#### Print more, faster

- Enterprise-class colour print speeds of 34ppm and 36ppm black & white
- First colour page prints in just 9 seconds (8 seconds black & white)
- Generous 256MB RAM and 533MHz processor for rapid throughput
- Large paper supply, extendable to 1,690 sheets

#### Handle heavy workloads with ease

- Flat paper path copes more easily with high print volumes
- Heavy-duty materials, rugged components and ultra-reliable digital LED technology
- User-replaceable, quick-change consumables for maximum uptime

#### **Reduce and control your print costs**

- Attractive price tag and low cost per page
- High-yield 11k mono and 11.5k colour toners and 20k long-life image drums
- Consumes just 1.2 watts in sleep mode, reducing energy bills
- Print Control software helps you manage print volumes by restricting usage
- PrintSuperVision software lets you track usage and monitor and manage your printers
- Colour Access Policy Manager lets you control and monitor the use of colour

#### **Professional print quality**

ProQ2400 Multi-level output quality,

#### 1200 x 600dpi print resolution

 Microfine High Definition toner ensures documents are sharper, crisper and glossier, even on ordinary office paper

#### First class media flexibility

- Paper sizes from A6 to A4, plus 210 x 1200mm banners
- Print on stock from 64 to 250gsm
- Print on specialist media including business cards, CD labels and polyester film

#### Impeccable security

Now you can remove the risk of sensitive information falling into the wrong hands with the Secure Print<sup>2</sup> utility. A print run can only start when you enter your private PIN at the printer, and data is encrypted before sending and securely erased after use.

<sup>1</sup>Check local OKI Printing Solutions website for latest driver releases and OS compatibility; <sup>2</sup>SDHC Memory Card required; <sup>3</sup>Windows only; <sup>4</sup>Secure Digital High Capacity (SDHC) Memory Card supports up to 32GB. OKI is not responsible for any compatibility risk using non OKI genuine SDHC Memory Card; <sup>5</sup>Including all consumables

**Consumables Information:** For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.
