

What's New for WD Red™

The WD Red family just got bigger.

- New 5 TB and 6 TB 3.5-inch WD Red NAS Hard Drives, providing a SOHO total capacity of up to 48 TB for 1-8 bay systems.
- New WD Red Pro NAS Hard Drives, built specifically for 8-16 bay medium to large NAS systems, expanding the WD Red NAS portfolio.
- NASware™ 3.0 – increases drive reliability and improves data protection in the event of a power loss or power disruption. Now available on the entire line of WD Red and WD Red Pro NAS hard drives.
- WD Red is a reflection of the most extensive NAS partner compatibility- testing list that is available on the market.* That means when you buy a NAS enclosure, you can trust that WD Red will be the most compatible drive available. Our pride is in our product and our vision is shared with our customers.
- 3-year limited warranty (WD Red), 5-year limited warranty (WD Red Pro) and premium 24x7 support.
- 6 TB models feature the best performance over smaller capacities and allow you to achieve higher total NAS capacities with less bay counts required.

Ideal for

- Small 1 to 8-bay NAS environments (WD Red)
- Medium to large 8 to 16 bay NAS environments (WD Red Pro)
- RAID configurations
